Please note the following:

1. This cover will not be cancelled for any reason unless we are requested to do so by the Institution at which you are studying.
2. Please ensure that you consult your selected contracted Universal Network Doctor for all your medical requirements. Two out-of-area visits per beneficiary will be covered per annum. The member is required to pay the out-of-area provider in cash and claim back. Reimbursement is at 80% of the cost of the claim to a maximum of R800 per event (i.e. for the GP consultation and all related costs).
3. If your contracted Doctor refers you to a Hospital or a Specialist, please ensure that you contact us on **0860 111 090** for an authorisation. If you are referred without an authorisation, the account will not be paid.
4. In the rare case that you receive an account from a Doctor, please complete the required claim form, send it to us with a copy of the account and receipt, and we will reimburse your costs at the agreed tariff subject to benefits available.
5. Should you wish to change your selected Doctor, please contact us **011 208 1000** at least 30 days in advance of the change.
6. A 12 month exclusion applies to pregnancy and related claims if applicable.

We sincerely hope that your membership of the Scheme will be long and mutually beneficial. Please contact us by phone on **011 208 1000**, fax: **086 645 4727** or e-mail: student@universal.co.za, should you have any query.
